

Weber & Deegan, Ltd.

3rd Party Web Portal Authorization

The security of your sensitive information is a primary concern at Weber & Deegan, Ltd. The portal is a web-based application easily accessed on our website, www.weberdeegan.com. The portal allows for the encrypted, bi-directional transmission and storage of electronic data. Weber & Deegan will use the portal to provide quick and easy access, 24/7, to your important financial documents. Once we reach full implementation, the application will also give you the ability to send large files to us through the portal.

I, _____, give _____ permission to access my sensitive tax or financial information via their secure web portal.
